Dear Professor Zafrullah:

On behalf of *Mathematical Reviews* I would like to thank you for your past service as a reviewer. *MR* cannot operate without its reviewers and we are deeply appreciative of them for giving of their time to writing reviews.

We understand completely that writing reviews takes time from a busy schedule, and that other demands on your time may make it impossible for you to continue as a reviewer. In accordance with your recent request, we have removed your name from our list of reviewers.

We thank you for the service to the mathematical community that you have performed for us in the past. If your situation should change in the future so that you once again have time to act as a reviewer (either on a regular or an ad hoc basis), please write to us.

If you have suggestions of names of colleagues that you feel might be interested in serving as reviewers, we would very much appreciate your sending their names so that we can invite them to become reviewers.

Sincerely,

Kevin F. Clancey
Executive Editor
